## Cleveland Regional Jetport

Located on Dry Valley Road, the Cleveland Regional Jetport serves the needs of general and business aviation users. Officially opened for business in January 2013, the entirely new airport is an asset to the City of Cleveland. More arriving and departing air traffic now utilize the exceptional facilities available. Shell Aviation Fuel products delivered at the pump (self-serve) or planeside by attentive Crystal Air FBO personnel make a stop in Cleveland a rewarding experience.

Following are details about the jetport:

- 5,500' concrete runway suitable for large corporate jet aircraft with GPS WAAS Approach minimums of 200' DH with 3/4 mile visibility. LED lighting. Open 24/7.
- Three conference rooms with accompanying catering kitchen large enough to host 60 guests. Available for business conferences luncheons or office gatherings.
- Jet-A and 100LL AVGAS both available 24/7 either planeside or self-service. Aircraft maintenance on site.
- Aircraft storage available. Twenty T-hangars presently constructed with 20 more coming soon. Private and corporate hangar space available with very favorable terms.
- Located just minutes from downtown Cleveland and nearby Charleston and Chattanooga. Easy access to local industries.
